## ULTIMATE Protection Heavy Duty Glove

- **Goatskin** is often referred to as nature's strongest leather. It has very high tensile-strength and abrasion-resistant properties, but has excellent softness and is lightweight.
- Because of this high strength-to-weight ratio, our Goatskin all-leather drivers are much tougher and more durable than their suppleness leads you to think.
- **Keystone thumb** for extra durability. Great for handling building materials, assembly work, farming, municipal work, utilities and metal fabrication.
